

BEHAVIORAL HEALTH

By choosing Nor-Lea Behavioral Health, you will form a partnership with knowledgeable and compassionate staff. Prompt care and confidentiality are our priority. Personal attention will be provided to you as a human being, not as a symptom. A thorough initial evaluation starts the partnership which will lead to a treatment plan created by you and your provider.

Services We Provide

Adults -18 years and older

- Behavioral and mental health evaluations
- Psychotherapy and/or medication management of mental health conditions
- Education regarding behavior health and mental health conditions and disorders
- Evidence based treatment backed by up-to-date research and clinical data

We Most Commonly Treat

- Anxiety
- Mood Disorders (including depression and bipolar disorders)
- Post-traumatic stress disorders
- Grief and Bereavement
- Psychotic Disorders (including schizophrenia and schizoaffective disorders)
- Insomnia

Exceptional care right here in Lea County

Our team of providers are equipped with advanced training in mental health treatment, who are committed to the well-being of our patients and community.
