LABORATORY SERVICES

Nor-Lea Hospital District laboratories welcome all lab orders from any physician or provider. We accept Medicare, Medicaid, commercial insurance and self-pay patients.

Orders must be faxed from your doctor's office, sent via EHR or hand delivered. Our laboratories are open to all patients regardless of provider location. No appointment necessary!

Laboratory Results

You may pick up a copy of your lab results at the Medical Records Office located at Nor-Lea Hospital District Main Campus. All results will be forwarded to your provider or viewed through the MyChart Patient Portal App.

Tests performed in our laboratory, such as CBC, Chemistry Panels, Urinalysis are completed the same day. Cultures and tests forwarded to specialized reference laboratories may take a few days or up to two weeks to complete.
